## You Need to Know... The Truth About Limited Edition Reproductions

In case you missed it upon first release, be sure to read the article [Truth in the Fine Art Limited Edition Reproductions Industry](#) by FAR CEO Theresa Franks. It contains information vital to every artist. Read it today!

## FAR Releases Two Investigative Documentaries on DVD

Now available in the [FAR Store](#)! *Salvador Dali Fakes and A Landmark Report on the Historic Fingerprint Forgery Investigation into Alleged Jackson Pollock Fingerprints.*

Details of both of these investigations have been released on the FAR websites but now you can own your own copy of these fascinating reports, complete with bonus features! \$15.95 each in the [FAR Store](#). Order them [here](#)!

# Featured Artist Beth Cornell

Beth Cornell was born in Greensburg, Pennsylvania but traveled long and far to arrive at her current residence in Surprise, Arizona. Along the way, she faced challenges and made decisions, all of which shaped who she is as an artist today. Read our profile on Beth [here](#) and visit her FAR gallery [here](#).

## Exclusive New Article

### New Wine from Sour Grapes: What Should I Do with My Gailey?

by Dave Olson

"I have a beautiful seascape by H. Gailey, an original oil on canvas, with Collier Art Corporation Certificate #123456. What is it worth? Can you tell me about the artist?" How many times have we seen those plaintive messages on Internet forums? Perhaps one of them is yours...

Read the full article here [html](#) or [pdf](#).

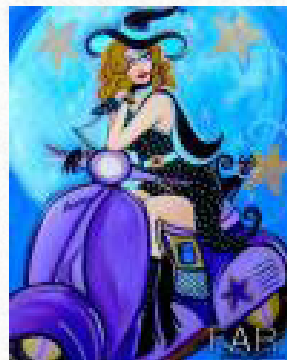

In the spirit of Halloween, we couldn't resist sharing with you the delightfully wicked paintings of Ana Rosa Amaral! See her FAR gallery [here](#)!
